1. Does your company maintain an escrow account to appropriate funds dedicated to system repairs or operations in the event of an emergency? Does the company maintain an escrow account for any other purpose? If so, when was this account(s) first established?

RESPONSE:

The Company does not maintain an escrow account for the purpose of system repairs, emergency events or any other purpose.

2. If your company does not have an escrow account, please explain how the company would fund extensive system repairs or operations in the event of an emergency.

RESPONSE:

Sheaffer International, L.L.C. has a boiler and machinery insurance policy for all of its utilities that cover \$50,000 in mechanical equipment replacement. In addition, this policy also provides business interruption coverage of \$240,000 per incident which kicks in after 48 hours

3. If an escrow account(s) exists, please answer the following questions:

RESPONSE:

Not applicable.
